Dear Mr. Langness:

This letter is to confirm that Guardian Angel Staffing Agency continues to be certified under the Health Care Staffing Services manual. The organization has applied for recertification, and they are currently awaiting their review. Unfortunately, the review has been significantly delayed by the COVID-19 pandemic. Until the review takes place, The Joint Commission continues to consider Guardian Angel Staffing Agency certified based on the results of their previous full review which took place on June 19, 2018. We do apologize for any inconvenience that this may have caused.

If I can be of further assistance I can be reached at (630) 792-5038.

Sincerely,

Brian Nosek
